

ROMAN BLIND TAPE

Roman blinds create a smooth, streamlined silhouette and provide a classic and contemporary look. Narrowtex produces roman blind tapes that houses a pocket for the rod and a guide for the cord. The tape has a unique float that allows for a blind to be carried behind the tape. Roman blind heading can also be used as gathering tape for lightweight curtains.

- Used with tracks or rods
- Suitable for light to medium fabrics
- Fabric estimation as per requirements for blinds.
